

# Harrison FARM & GREENHOUSES

• 9404 Babcock Rd., Bellevue  
(269) 763-2905

Bill Harrison

I had originally scheduled my classified ad to run for two weeks in the *County Journal* but had to change it for the second week. I completely sold out all of the flowers that were advertised the first week within just a few days! I have not had this kind of success in a long time with news print advertising.

I appreciate all of the customers who came out in response to the ad, and thank the County Journal for getting the word out!
