

WE'RE SOLD ON THE COUNTY JOURNAL

We highly recommend **The County Journal**. They are the only form of

advertising we used to sell our home, and our **home sold within a month.**

The response we received was fantastic! In just **1 week we showed our home 8 different times**, and let me tell you we had a lot of phone calls.

Thank you to the staff at **The County Journal**. They took our information and created an eye catching ad **THAT SOLD!**
