

# Thank You

We would like to thank everyone who came to our customer appreciation day at Olivet Hardware. We had a great day!

A huge thank you to Brian Murphy for roasting the hog, Taylor's Main Street Cafe for catering all of the salads, and The County Journal for delivering their promise. We put our insert in their paper and had the best turn out from an insert that we have ever had. It is clear to us that people are getting The County Journal and reading it!
